THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. YOU DO NOT NEED TO TAKE ANY ACTION, BUT WE RECOMMEND THAT YOU READ IT.

Dear Shareholder

**Important Changes to VT Gravis Real Assets ICVC (the "Company")
VT Gravis UK Listed Property (PAIF) Fund (the "Fund")**

1. BACKGROUND

We are writing to you as a shareholder in the Fund, a sub-fund of the Company to notify you of some important changes that affect the Company and the Fund.

The reason for the majority of the changes is because we, Valu-Trac Investment Management Limited ("Valu-Trac"), are retiring as authorised fund manager ("AFM") of the Company (and of the Fund) and are to be replaced by Thesis Unit Trust Management Limited ("Thesis").

Importantly, we would note that Gravis Advisory Ltd will continue to act as Investment Manager of the Company (and the Fund) and there will be no change to the investment management of the Fund as a result of the developments set out in this letter.

The following share classes will be affected by these changes:

THESE CHANGES WILL TAKE PLACE WITH EFFECT FROM: 09 AUGUST 2025

It is intended that the changes to the Company, which we summarise below, will take effect on 9th August 2025 (the “**Effective Date**”) which is to be a non-dealing day. Details of the deadlines for dealing before and after the Effective Date are set out below.

There is no need for you to take any action as a result of these changes. If you take no action, then your holding in the Fund will continue (albeit with the changes noted below) and Gravis Advisory Ltd will continue as Investment Manager of the Company.

The Financial Conduct Authority (“**FCA**”) has confirmed that the implementation of the changes referred to in this letter will not affect the continued authorisation of the Company.

2. KEY CHANGES TO THE COMPANY

It is important that you read this letter carefully as it contains information about your investment. However, none of these changes will affect the structure of the Company (or the Fund) or your ability to exercise your rights in connection with your investment.

In practice, only a limited number of changes to the way in which the Company is operated will be made. In particular, as noted above, the Investment Manager of the Company (and Fund), Gravis Advisory Ltd, will remain as Investment Manager following the change in AFM. There will be no change to the investment objective or investment policy of the Fund as a result of the change in AFM (and so there will be no change to the risk profile of the Fund as a result of the changes).

2.1. Change of AFM

The AFM, which is the organisation responsible for the management and operation of the Company, will change from us, Valu-Trac, to Thesis on the Effective Date.

3. OTHER CHANGES

The opportunity has also been taken at this time to make periodic updates to the Prospectus of the Company which will also take effect from 9th August 2025. The amendments include updates:

- to include contact details for the new AFM, the new depositary, the new registrar, administrator and fund accountant (and to reflect their respective operating procedures, service provision and fees as outlined above);
- to clarify that the price per share takes into account any dilution adjustment (which is currently the case and will continue to be the case going forwards); and
- to clarify that no interest is paid on client money held in connection with settlement when the delivery vs. payment exemption is not used.

4. REGULAR PAYMENTS

Existing mandates and direct debits which you have in place with Valu-Trac will terminate. Thesis will contact you separately with regards the establishment of revised mandates including new direct debit and regular investing instructions.

5. CLIENT MONEY

In order to facilitate management of the Fund, Valu-Trac makes use of the 'delivery versus payment' exemption set out in the FCA rules which provides for a one business day window during which money held for the purposes of settling a transaction in shares is not treated as 'client money'. Money received for the issue of shares is, therefore, not protected under the FCA's client money rules until the delivery versus payment exemption period has expired (at which time such money will be kept in a client money account). Money received by Valu-Trac in the form of redemptions, cheques or other remittances is paid directly into a client money account maintained by Valu-Trac with an approved bank, as defined in the FCA rules, and protected in line with the FCA's client money rules.

From the Effective Date Thesis as AFM of the Fund will also make use of the delivery versus payment exception on the use of shares, therefore there will be no change as a consequence of the change of AFM from Valu-Trac to Thesis.

6. DATA PROTECTION

As a result of the proposed change of AFM, Shareholders' personal details will be transferred to Thesis, a company that is not within the same group of companies as Valu-Trac. Valu-Trac will retain personal details in order to comply with the FCA's record keeping rules but will not keep your personal data longer than is necessary and will take all reasonable steps to destroy, or erase from its systems, all data which is no longer required.
