INVESTMENT APPROACH

The fund is managed by Andrew Hollingworth, who also managed its predecessor Farnam Street Capital Fund. It is managed in line with the Holland Advisors investment approach. Simply put, the fund looks to invest in what Holland Advisors believes to be great companies run by great owner managers. We look to invest in them when they are out of favour in current markets. Further information on the Holland Advisors’ investment approach can be found here: www.hollandadvisors.co.uk/our-approach
