1. THE COMPANY

- 1.1. The Teal Fund is an open-ended investment company with variable capital, incorporated in England & Wales on 24 September 2003 under registered number IC000257 and authorised by the Financial Services Authority with effect from 24 September 2003 (PRN: 227831). The Company has unlimited duration.
- 1.2. The Head Office of the Company is at Level 4, Dashwood House, 69 Old Broad Street, London EC2M 1QS and its principal place of business is at Mains of Orton, Orton, Moray, IV32 7QE and is also the address of the place in the United Kingdom for service on the Company of notices or other documents required or authorised to be served on it. Where the ACD finds it necessary to serve notice on Shareholders, it will do so in written form unless, in the opinion of the ACD, there is a more expeditious method of service.
- 1.3. The base currency of the Company is pounds sterling.
- 1.4. The maximum share capital of the Company is currently £100,000,000,000 and the minimum is £25,000. Shares in the Company have no par value and therefore the share capital of the Company at all times equals the Company's current net asset value.
- 1.5. Shareholders in the Company are not liable for the debts of the Company.
- 1.6. The Company is a collective investment scheme and has been established as a "UCITS scheme" and an "Umbrella Company" (under the OEIC Regulations) and therefore different Sub-funds may be formed by the ACD, subject to approval from the FCA. On the establishment of a new Sub-fund or Share Class an updated prospectus will be prepared setting out the relevant information concerning the new Sub-fund. Each Sub-fund of the Company would belong to the type of "UCITS scheme" if it were itself an open-ended investment company in respect of which an authorisation order made by the FCA was in force.
- 1.7. The Company does not intend to have any interest in immovable or tangible movable property.
- 1.8. The object of the Company is to invest the Scheme Property mainly in transferable securities, money market instruments, collective investment schemes, deposits and warrants in accordance with the FCA Rules with the aim of spreading investment risk and giving its shareholders the benefit of the results of the management of that property. Investment by each Sub-fund in transferable securities is restricted to investment in the geographic areas

and/or economic sectors set out in Appendix A in relation to such Sub-funds where such restrictions are specified.

2. COMPANY STRUCTURE

As explained above the Company is a UCITS scheme and an umbrella company for the purposes of the OEIC Regulations. The assets of each Sub-fund will be invested in accordance with that Sub-fund's own investment objective and policy.

- 2.1. Details of the Sub-funds, including their investment objectives and policies are set out in Appendix A.
- 2.2. Each Sub-fund is a UCITS scheme as defined under the FCA Regulations.
- 2.3. Each Sub-fund is a segregated portfolio of assets and, accordingly, the assets of a Sub-fund belong exclusively to that Sub-fund and shall not be used to discharge directly or indirectly the liabilities of, or claims against, any other person or body, including the Company, or any other Sub-fund, and shall not be available for any such purpose. While the provisions of the OEIC Regulations provide for segregated liability between sub-funds, the concept of segregated liability is relatively new. Accordingly, where claims are brought by local creditors in foreign courts or under foreign law contracts, it is not yet known how those foreign courts will react to regulations 11A and 11B (segregated liability and cross-investment provisions) of the OEIC Regulations.
- 2.4. Each Sub-fund will be charged with the liabilities, expenses, costs and charges of the Company attributable to that Sub-fund.
- 2.5. Any assets, liabilities, expenses, costs or charges not attributable to a particular Sub-fund may be allocated by the ACD in accordance with the FCA Rules in a manner which is fair to Shareholders as a whole.

3. SHARES

- 3.1. The Share Classes presently available for each Sub-fund are set out in the details of each Sub-fund in Appendix A. Further Share Classes may be made available in due course, as the ACD may decide.
- 3.2. The minimum initial investment for each Share Class is set out in Appendix A. These limits may be waived at the discretion of the ACD.
- 3.3. Shares issued by the Company will be either Income or Accumulation Shares. Income Shares are entitled to receive distributions of income periodically.
- 3.4. When available, Shareholders are entitled (subject to certain restrictions) to switch all or part of their Shares in one Sub-fund for Shares in a different Sub-fund. Details of this switching facility and the restrictions are set out in Sections 13 and 14.3.

4. MANAGEMENT AND ADMINISTRATION

4.1. Authorised Corporate Director

4.1.1. The Authorised Corporate Director of the Company is Valu-Trac Investment Management Limited which is a private company limited by shares incorporated in England and Wales under the Companies Acts. The ACD was incorporated on 3rd October 1989. The ultimate holding company of the Manager is Valu-Trac Limited, a company incorporated in Bermuda.

London
EC2M 1QS

Head Office:

IV32 7QE

The ACD has an issued and paid up share capital of £3,398,295 ordinary shares of £1 each issued and paid up.

4.1.3. The ACD is responsible for managing and administering the Company's affairs in compliance with the FCA Regulations. The ACD is authorised and regulated by the Financial Conduct Authority of 12 Endeavour Square, London, E20 1JN.

4.1.4. The directors of the ACD and their significant business activities not connected with the business of the ACD are as set out in Appendix F.

4.1.5. The ACD also acts as investment manager and/or authorised corporate director of the funds set out in Appendix F.

4.2. Terms of Appointment

4.2.1. The ACD was appointed with effect from 1 November 2010 by an agreement dated 1 November 2010 between the Company and the ACD (the "ACD Agreement"). The ACD Agreement provides that the appointment of the ACD may be terminated upon 3 months' written notice by either the ACD or the Company (subject to a minimum initial term of 12 months), although in certain circumstances the ACD Agreement may be terminated forthwith by notice in writing by the ACD to the Company or the Depositary, or by the Depositary or the Company to the ACD. Termination cannot take effect until the FCA

has approved the appointment of another authorised corporate director in place of the retiring ACD.

- 4.2.2. The ACD is entitled to its pro rata fees and expenses to the date of termination and any additional expenses necessarily realised in settling or realising any outstanding obligations. No compensation for loss of office is provided for in the ACD Agreement. The ACD Agreement provides indemnities to the ACD other than for matters arising by reason of its fraud, negligence, bad faith, breach of duty, breach of contract or breach of trust in the performance of its duties and obligations.
- 4.2.3. The ACD will reimburse the Company for any profit it makes on the issue or re-issue of Shares or cancellation of Shares which it has redeemed. The fees to which the ACD is entitled are set out in Sections 26 and 27.
- 4.2.4. The Company may by ordinary resolution remove the ACD before the expiration of its period of office, notwithstanding anything in the Instrument of Incorporation or in any agreement between the Company and the ACD. In addition, notice of termination of the ACD Agreement is deemed to have been given by the Company at the written direction of any Shareholder acting with the approval of Shareholders holding in aggregate not less than 75% of the Shares in issue at the relevant time. However, in any such case the removal will not take effect until the FCA has approved it and a new ACD approved by the FCA has been appointed.
- 4.2.5. The fees to which the ACD is entitled in respect of each Sub-fund are set out in Appendix A.

4.3. **Remuneration Policy**

FCA Rules require that the ACD applies remuneration policies and practices that are consistent with, and promote, effective risk management for certain categories of staff (namely those whose activities have a material impact on the risk profile of the ACD or the UCITS funds that it manages ("Code Staff"). The ACD, taking account of the principle of proportionality, has in place a remuneration policy (the "Remuneration Policy") which is reviewed at least annually.

The ACD considers the Remuneration Policy to be appropriate to the size, internal operations, nature, scale and complexity of the Funds and in line with the risk profile, risk appetite and the strategy of the Sub-funds.

The Remuneration Policy will apply to the fixed and variable (if any) remuneration received by the Code Staff.

In respect of any investment management delegates, the ACD requires that: (i) the entities to which such activities have been delegated are subject to regulatory requirements on remuneration that are equally as

effective as those applicable under the FCA Handbook; or (ii) appropriate contractual arrangements are put in place with entities to which such activities have been delegated in order to ensure that there is no circumvention of the remuneration rules set out in the FCA Handbook.

The ACD's remuneration policy requires, amongst other items, that the remuneration practices within the ACD:

- i. are consistent with and promote sound and effective risk management;
- ii. do not encourage risk taking and are consistent with the risk profiles of the funds which the ACD manages; and
- iii. do not impair the ACD's ability to comply with its duty to act in the best interests of the funds which it manages.

Details of the Remuneration Policy, including a description of how remuneration and benefits are calculated, and the identities of persons responsible for awarding the remuneration and benefits, will be made available on the ACD's website (www.valu-trac.com) and a paper copy will be made available free of charge from the ACD upon request.

- 5.1. NatWest Trustee and Depositary Services Limited is the depositary of the Company.

The ultimate holding company of the Depositary is NatWest Group plc, which is incorporated in Scotland. The principal business activity of the Depositary is the provision of trustee and depositary services. The Depositary is authorised and regulated by the FCA. It is authorised to carry on investment business in the United Kingdom by virtue of its authorisation and regulation by the regulator.

Duties of the Depositary

- 5.3. The Depositary is responsible for the safekeeping of all the Scheme Property (other than tangible moveable property) of the Company and has a duty to take reasonable care to ensure that the Company is managed in accordance with the Instrument of Incorporation and the provisions of the FCA Regulations relating to the pricing of, and dealing in, Shares and relating to the income and the investment and borrowing powers of the Sub-funds.

Conflicts of interest

- 5.4. The Depositary may act as the depositary of other open-ended investment companies and as trustee or custodian of other collective investment schemes.
- 5.5. It is possible that the Depositary and/or its delegates and sub-delegates may in the course of its or their business be involved in other financial and professional activities which may on occasion have potential conflicts of interest with the UCITS and/or other funds managed by the ACD or other funds for which the Depositary acts as the depositary, trustee or custodian. The Depositary will, however, have regard in such event to its obligations under the Depositary

Agreement and the Regulations and, in particular, will use reasonable endeavours to ensure that the performance of its duties will not be impaired by any such involvement it may have and that any conflicts which may arise will be resolved fairly and in the best interests of Shareholders collectively so far as practicable, having regard to its obligations to other clients.

- 5.6. Nevertheless, as the Depositary operates independently from the Company, Shareholders, the ACD and its associated suppliers and the Custodian, the Depositary does not anticipate any conflicts of interest with any of the aforementioned parties.
- 5.7. Up to date information regarding (i) the Depositary's name, (ii) the description of its duties and any conflicts of interest that may arise between the Company, the Shareholders or the ACD and the Depositary, and (iii) the description of any conflicts of interest that may arise from such delegation, and the list showing the identity of each delegate and sub-delegate, will be made available to Shareholders on request.

Delegation of safekeeping functions

- 5.8. The Depositary is permitted to delegate (and authorise its delegate to sub-delegate) the safekeeping of Scheme Property.
- 5.9. The Depositary has delegated safekeeping of Scheme Property to CACEIS Bank, UK Branch (the "Custodian"). In turn, the Custodian has delegated the custody of assets in certain markets in which the Company may invest to various sub-delegates ("Sub-Custodians"). A list of Sub-Custodians is given in Appendix II (Part II). Investors should note that the list of Sub-Custodians is updated only at each Prospectus review. An updated list of Sub-Custodians is maintained by the ACD at www.valu-trac.com.

Updated information

- 5.10. Up-to-date information regarding the Depositary, its duties, its conflicts of interest, the delegation of its safekeeping functions and a list showing the identity of each delegate and sub-delegate will be made available to unitholders on request.

- 5.12. Under the Depositary Agreement, the Depositary is free to render similar services to others and the Depositary, the Company and the ACD are subject to a duty not to disclose confidential information.
- 5.13. The powers, duties, rights and obligations of the Depositary, the Company and the ACD under the Depositary Agreement shall, to the extent of any conflict, be overridden by the FCA Rules.
- 5.14. Under the Depositary Agreement the Depositary will be liable to the Company for any loss of financial instruments held in custody or for any liabilities incurred by the Company as a result of the Depositary's negligent or intentional failure to fulfil its obligations.
- 5.15. However, the Depositary Agreement excludes the Depositary from any liability except in the case of fraud, wilful default, negligence or failure to

exercise due care and diligence in the performance or non-performance of its obligations.

- 5.16. It also provides that the Company will indemnify the Depositary for any loss suffered in the performance or non-performance of its obligations except in the case of fraud, wilful default, negligence or failure to exercise due care and diligence on its part.
- 5.17. The Depositary Agreement may be terminated on six months' notice by the Company or the Depositary or earlier on certain breaches, or the insolvency of a party. However, termination of the Depositary Agreement will not take effect, nor may the Depositary retire voluntarily until the appointment of a new Depositary.

The initial purchase must, at the discretion of the ACD, be accompanied by an application form. In addition, the ACD may from time to time make arrangements to allow Shares to be bought or sold on-line or through other communication media (electronic or otherwise).

12.2. Documents the Seller will receive

12.2.1. A contract note giving details of the number and price of Shares sold will be sent by the ACD to the selling Shareholder (the first named, in the case of joint Shareholders) or their duly authorised agents together (if sufficient written instructions have not already been given) with a form of renunciation for completion and execution by the Shareholder (and, in the case of a joint holding, by all the joint holders) not later than the end of the Business Day following the valuation point by reference to which the redemption price is determined. Bank transfers will be effected in satisfaction of the redemption monies within four Business Days of the latest of:

- (a) receipt by the ACD of the form of renunciation (or other sufficient written instructions) duly signed by all the relevant Shareholders and completed as to the appropriate number of Shares, together with any other appropriate evidence of title; and
- (b) the valuation point following receipt by the ACD of the request to redeem; and
- (c) completion of appropriate anti-money laundering verification procedures where the ACD consider necessary.

12.3. Minimum redemption

Part of a Shareholder's holding may be sold but the ACD reserves the right to refuse a redemption request if the value of the Shares of any Sub-fund to be redeemed is less than any minimum redemption amount set out in Appendix A or would result in a Shareholder holding less than the minimum holding for a Sub-fund, as detailed in Appendix A.

12.4. In Specie Redemption and Issue

If a Shareholder requests the redemption or cancellation of Shares, the ACD may, if it considers the deal substantial in relation to the total size of the Sub-fund concerned, arrange for the Company to cancel the Shares and transfer Scheme Property to the Shareholder instead of paying the price of the Shares in cash, or, if required by the Shareholder, pay the net proceeds of sale of the relevant Scheme Property to the Shareholder. A deal involving Shares representing 5% or more in value of a Sub-fund will normally be considered substantial, although the ACD may in its discretion agree an in specie redemption with a Shareholder whose Shares represent less than 5% in value of the Sub-fund concerned.

Before the proceeds of cancellation of the Shares become payable, the ACD will give written notice to the Shareholder that Scheme Property (or the proceeds of sale of that Scheme Property) will be transferred to that Shareholder.

The Investment Manager will select the property to be transferred (or sold) in consultation with the ACD and the Depositary. They must ensure that the selection is made with a view to achieving no greater advantage or disadvantage to the redeeming Shareholder than to continuing Shareholders, and any such redemption as set out above, shall be subject to a retention by the Company from that property (or proceeds) the value (or amount) of any stamp duty reserve tax to be paid on the cancellation of Shares.

In certain circumstances the ACD may, at its discretion, and subject to the FCA Regulations, accept securities in settlement of a purchase of Shares in the Sub-funds.

12.5. Direct Issue or Cancellation of units by an ICVC through the ACD

The ACD will not be obliged to effect direct issue or cancellation of units in the Company. Shares are issued or cancelled by the ACD making a record of the issue or cancellation and of the number of Shares or each class concerned.

13. SWITCHING

- 13.1. Subject to any restrictions on the eligibility of investors for a particular Share Class, a Shareholder in a Sub-fund may at any time Switch all or some of their Shares of one Share Class or Sub-fund ("the Original Shares") for another Share Class or Sub-fund ("the New Shares") in the Company. The number of New Shares issued will be determined by reference to the respective prices of New Shares and Original Shares at the Valuation Point applicable at the time the Original Shares are redeemed and the New Shares are issued.
- 13.2. Shareholders are required to provide written instructions to the ACD (which, in the case of joint Shareholders, must be signed by all the joint Shareholders) before switching is effected.
- 13.3. The ACD may at its discretion charge a fee on the switching of Shares between Sub-funds. Any such charge on switching does not constitute a separate charge payable by a Shareholder, but is rather the application of any redemption charge on the Original Shares and any initial charge on the New Shares, subject to certain waivers. These fees are set out in Section 14.3.
- 13.4. If a partial Switch would result in the Shareholder holding a number of Original Shares or New Shares of a value which is less than the minimum holding in the Share Class concerned, the ACD may, if it thinks fit, convert the whole of the applicant's holding of Original Shares to New Shares (and make a charge on switching on such conversion) or refuse to effect any switch of the Original Shares. Save as otherwise specifically set out, the general provisions on procedures relating to redemption will apply equally to a switch. Written instructions must be received by the ACD before the Valuation Point on a Dealing Day in the Sub-fund or Sub-funds concerned to be dealt with at the prices at the Valuation Point on that Dealing Day or at such other Valuation Point as the ACD at the request of the Shareholder giving the relevant instruction may agree. Switching requests received after a

Valuation Point will be held over until the next day which is a Dealing Day in each of the relevant Sub-fund or Sub-funds.

- 13.5. The ACD may adjust the number of New Shares to be issued to reflect the application of any charge on switching together with any other charges or levies in respect of the application for the New Shares or redemption of the Original Shares as may be permitted pursuant to the FCA Regulations.
- 13.6. **Please note that, under current tax law, a switch of Shares in one Sub-fund for Shares in any other Sub-fund is treated as a redemption of the Original Shares and a purchase of New Shares and will, for persons subject to taxation, be a realisation of the Original Shares for the purposes of capital gains taxation, which may give rise to a liability to tax, depending upon the Shareholder's circumstances. A conversion of Shares in one Class for Shares in another Class in relation to the same Sub-fund will not normally be treated as a realisation for UK tax purposes.**
- 13.7. **A Shareholder who switches Shares in one Sub-fund for Shares in any other Sub-fund (or who switches between Share Classes) will not be given a right by law to withdraw from or cancel the transaction.**

14. DEALING CHARGES

14.1. Initial charge

The ACD may impose a charge on the sale of Shares to investors. The initial charge is payable to the ACD and, at its discretion, is reimbursed to the Company. Full details of the current initial charge for each class of Share in each Sub-fund are set out in Appendix A.

14.2. Redemption charge

14.2.1. The ACD does not currently make a charge on the redemption of Shares.

14.2.2. The ACD may only introduce or increase a redemption charge on Shares in accordance with the FCA Handbook (i.e. provided, not less than 60 days before the introduction, the ACD has given notice in writing to the then current Shareholders of that introduction and has revised and made available the Prospectus to reflect the introduction and the date of its commencement).

14.2.3. Also, if such a charge was introduced in respect of a specific class of shares it would not apply to shares issued before the date of the introduction (i.e. those not previously subject to a redemption charge).

14.2.4. In the event of a change to the rate or method of calculation of a redemption charge, details of the previous rate or method of calculation will be available from the ACD.

14.3. Switching fee

On the switching of Shares of a Sub-fund for Shares of another Sub-fund the Instrument of Incorporation authorises the Company to impose a switching fee. The fee will not exceed an amount equal to the then prevailing initial charge for the Share Class into which Shares are being switched. The

switching fee is payable to the ACD. Currently no switching charge will be levied.

14.4. Stamp duty reserve tax ("SDRT")

The charging of SDRT (at a rate of 0.5%) on the redemption of shares has now been abolished except from in relation to non-pro rata in specie redemptions.

The current policy is that all SDRT costs (if applicable) will be paid out of the Company's Scheme Property and charged to capital and that SDRT will not be recovered from individual Shareholders. However, the ACD reserves the right to require individual Shareholders to pay SDRT whenever it considers that the circumstances have arisen which make such imposition fair to all Shareholders or potential Shareholders. Deductions of any such costs from capital may erode or constrain capital growth.

15. OTHER DEALING INFORMATION

15.1. Dilution levy

15.1.1. The basis on which the Company's investments are valued for the purpose of calculating the issue and redemption price of Shares as stipulated in the FCA Regulations and the Company's Instrument of Incorporation is summarised in Section 22. The actual cost of purchasing or selling a Sub-fund's investments may be higher or lower than the mid market value used in calculating the Share price - for example, due to dealing charges, or through dealing at prices other than the mid-market price. Under certain circumstances (for example, large volumes of deals) this may have an adverse effect on the Shareholders' interest in a Sub-fund. In order to prevent this effect, called "dilution", the ACD has the power to charge a "dilution levy" on the sale and/or redemption of Shares. If charged, the dilution levy will be paid into the relevant Sub-fund and will become part of the property of the relevant Sub-fund.

15.1.2. The dilution levy for each Sub-fund will be calculated by reference to the estimated costs of dealing in the underlying investments of that Sub-fund, including any dealing spreads, commission and transfer taxes.

15.1.3. The need to charge a dilution levy will depend on the volume of sales or redemptions. The ACD may charge a discretionary dilution levy on the sale and redemption of Shares if, in its opinion, the existing Shareholders (for sales) or remaining Shareholders (for redemptions) might otherwise be adversely affected, and if charging a dilution levy is, so far as practicable, fair to all Shareholders and potential Shareholders. In particular, the dilution levy may be charged in the following circumstances:

- (a) where over a dealing period a Sub-fund has experienced a large level of net sales or redemptions relative to its size;

- (b) on "large deals". For these purposes, a large deal means a deal worth 10% or more of the size of the Sub-fund or £15,000, whichever is lower;
- (c) where the ACD considers it necessary to protect the interests of the Shareholders of the Company.

It is not possible to predict accurately whether dilution would occur at any point in time. If a dilution levy is required then, based on future projections the estimated rate or amount of such levy will be around 0.5%. However, the ACD does not expect to charge a dilution levy frequently. A dilution levy has not been charged at any time since the incorporation of the Company. As a dilution levy is not currently charged, the cost of purchasing or selling investments for the Sub-funds subsequent to Shareholder dealing will be borne by the relevant Sub-fund with a consequent effect on future growth.

The ACD may alter its current dilution policy either by Shareholder consent pursuant to the passing of a resolution to that effect at a properly convened meeting of Shareholders and by amending this Prospectus or by giving Shareholders notice and amending the Prospectus 60 days before the change to the dilution policy is to take effect.

16. MONEY LAUNDERING

As a result of legislation in force in the UK to prevent money laundering, the ACD is responsible for compliance with anti-money laundering regulations. In order to implement these regulations, in certain circumstances investors may be asked to provide proof of identity when buying or redeeming Shares. This may involve an electronic check of information. Until satisfactory proof of identity is provided, the ACD reserves the right to refuse to issue Shares, pay the proceeds of a redemption of Shares, or pay income on Shares to the investor. In the case of a purchase of Shares where the applicant is not willing or is unable to provide the information requested within a reasonable period, the ACD also reserves the right to sell the Shares purchased and return the proceeds to the account from which the subscription was made. These proceeds may be less than the original investment. The ACD can use credit reference agencies (who will record that an enquiry has been made) and/or may check electronic databases. In the case of bodies corporate, trusts and other legal arrangements, it is also required to establish the identity of any trustees or other controllers who have greater than 25% control of the body corporate or property of the trust that are not named on the application. In addition, it is also required to establish the identity of any individuals who have a specified beneficial interest in the Shares. In the case of individuals it is required to establish the identity of any individuals who have a specified beneficial interest in the Shares that are not named on the application. The applicant retains legal title to the Shares and instructions will only be accepted from the applicant. The beneficial owner details are required for anti-money laundering purposes only. The ACD reserves the right to refuse any application to invest without providing any justification for doing so.

17. RESTRICTIONS AND COMPULSORY TRANSFER AND REDEMPTION

The ACD may from time to time impose such restrictions as it may think necessary for the purpose of ensuring that no Shares are acquired or held by any person in breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory. In this connection, the ACD may, inter alia, reject in its discretion any application for the purchase, sale, transfer or switching of Shares and where any holding of Shares by a Shareholder is (or is reasonably considered by the ACD to be) an infringement of any law, governmental regulation or rules, those Shares must be redeemed or cancelled.

18. SUSPENSION OF DEALINGS IN THE COMPANY

- 18.1. The ACD may, with the agreement of the Depositary, or must if the Depositary so requires, for a period of up to 28 days suspend the issue, cancellation, sale and redemption of Shares in any or all of the Sub-funds, if the ACD or the Depositary is of the opinion that due to exceptional circumstances there is good and sufficient reason to do so having regard to the interests of Shareholders or potential Shareholders.
- 18.2. Re-calculation of the Share price for the purpose of sales and purchases will commence on the next relevant valuation point following the ending of the suspension.

19. GOVERNING LAW

All deals in Shares are governed by Scots law.

20. VALUATION OF THE COMPANY

- 20.1. There is only a single price for any Share as determined from time to time by reference to a particular valuation point. The price of a Share in the Company is calculated by reference to the Net Asset Value of the Sub-fund to which it relates. The Net Asset Value per Share of a Sub-fund will be calculated at 4.30p.m. on each Dealing Day.
- 20.2. The ACD may at any time during a Business Day carry out an additional valuation if the ACD considers it desirable to do so.

21. CALCULATION OF THE NET ASSET VALUE

- 21.1. The value of the Scheme Property of the Company or of a Sub-fund (as the case may be) shall be the value of its assets less the value of its liabilities determined in accordance with the following provisions.
- 21.2. All the Scheme Property (including receivables) of the Company (or the Sub-fund) is to be included, subject to the following provisions.
- 21.3. Scheme Property which is not cash (or other assets dealt with in Section 21.4) shall be valued as follows:

21.3.1. units or Shares in a collective investment scheme:

- (a) if a single price for buying and selling units is quoted, at the most recent such price; or
- (b) if separate buying or selling prices are quoted, at the average of the two prices after deducting any initial charge included in the buying price and any exit or redemption charge included in the selling price; or
- (c) if no price or no recent price exists, at a price which in the opinion of the ACD is fair and reasonable;

21.3.2. any other transferable security:

- (a) if a single price for buying and selling the security is quoted, at that price; or
- (b) if separate buying and selling prices are quoted, the average of those two prices; or
- (c) if, in the opinion of the ACD, the price obtained is unreliable or no recent traded price is available or if no price exists, at a value which in the opinion of the ACD reflects a fair and reasonable price for that investment;

21.3.3. property other than that described in 21.3.1 and 21.3.2 above:

- (a) at a value which, in the opinion of the ACD, represents a fair and reasonable mid-market price.

21.4. Cash and amounts held in current and deposit accounts and in other time-related deposits shall be valued at their nominal values.

21.5. In determining the value of the Scheme Property, all instructions given to issue or cancel Shares shall be assumed to have been carried out (and any cash paid or received) whether or not this is the case.

21.6. Subject to Section 21.7 below, agreements for the unconditional sale or purchase of property which are in existence but uncompleted shall be assumed to have been completed and all consequential action required to have been taken. Such unconditional agreements need not be taken into account if made shortly before the valuation takes place and, in the opinion of the ACD, their omission will not materially affect the final net asset amount.

21.7. All agreements are to be included under Section 21.6 which are, or ought reasonably to have been, known to the person valuing the property.

21.8. An estimated amount for anticipated tax liabilities at that point in time including (as applicable and without limitation) capital gains tax, income tax, corporation tax and advance corporation tax and value added tax will be deducted.

- 21.9. An estimated amount for any liabilities payable out of the Scheme Property and any tax thereon treating periodic items as accruing from day to day will be deducted.
- 21.10. The principal amount of any outstanding borrowings whenever repayable and any accrued but unpaid interest on borrowings will be deducted.
- 21.11. An estimated amount for accrued claims for tax of whatever nature which may be recoverable will be added.
- 21.12. Any other credits or amounts due to be paid into the Scheme Property will be added.
- 21.13. A sum representing any interest or any income accrued due or deemed to have accrued but not received will be added.
- 21.14. Currency or values in currencies other than the base currency shall be converted at a rate of exchange that is not likely to result in any material prejudice to the interests of Shareholder or potential Shareholders.

22. PRICE PER SHARE IN EACH SUB-FUND AND EACH CLASS

- 22.1. The price per Share at which Shares are sold is the sum of the Net Asset Value of a Share and any initial charge. The price per Share at which Shares are redeemed is the Net Asset Value per Share less any applicable redemption charge. In addition, there may, for both purchases and sales, be a dilution levy, as described in Section 15 above.
- 22.2. The ACD will make use of the revised 'delivery versus payment' (DvP) exemption as set out in the FCA Rules, which provides for a one business day window during which money held for the purposes of settling a transaction in Shares is not treated as 'client money'. Specifically, under the DvP exemption, money received by the ACD from an investor, or money due to be paid to an investor by the ACD, need not be treated as client money if: (i) the ACD receives the money from an investor for the subscription of Shares and the money is passed to the Depositary for the purpose of creating Shares in a Sub-fund within one business day of receipt of money from the investor; or (ii) the ACD holds the money in the course of redeeming Shares provided that the proceeds of that redemption are paid to an investor within one business day of receipt from the Depositary.
- 22.3. Accordingly under the exemption when investors are buying Shares the ACD will protect investor money in a client money account if it does not pass the investor's money onto the Depositary by the close of the Business Day following receipt. Similarly when Shareholders sell shares in the ICVC, the ACD will protect their money in a client money account if it does not pass their money to them by the close of the Business Day following receipt from the Depositary. No interest will be paid on money held in these client money bank accounts. Any money held in a client money account will be protected by the FCA's client money rules

23. PRICING BASIS

The Company deals on a forward pricing basis. A forward price is the price calculated at the next valuation point after the sale or redemption is agreed.

24. PUBLICATION OF PRICES

- 24.1. The most recent price of Shares will be published on the ACD's website (www.valu-trac.com). The prices of the Shares may also be obtained by calling 0330 678 4760 during the ACD's normal business hours.
- 24.2. As the ACD deals on a forward pricing basis, the price that appears in these sources will not necessarily be the same as the one at which investors can currently deal. The ACD may also, at its sole discretion, decide to publish certain Share prices in other third party websites or publications but the ACD does not accept responsibility for the accuracy of the prices published in, or for the non-publication of prices by, these sources for reasons beyond the control of the ACD.

25. RISK FACTORS

- 25.1. Potential investors should consider the following risk factors before investing in the Company.

General

- 25.1.1. An investment in one or more of the Sub-funds will involve exposure to those risks normally associated with investment in stocks and Shares. As such, the price of Shares and the income from them can go down as well as up and an investor may not get back the amount they have invested. There is no assurance that investment objectives of any Sub-fund will actually be achieved.
- 25.1.2. In addition, the values, in pounds sterling terms, of investments that are not denominated in pounds sterling may rise and fall purely on account of exchange rate fluctuations, which will have a related effect on the price of Shares.
- 25.2. The Sub-funds may have significant Investments in smaller companies, in which there may be no established market for the Shares, or the market may be highly illiquid. Because of this potential illiquidity in the investments of certain Sub-funds, such Sub-funds may not be appropriate for all investors, including those who are not in a position to take a long-term view of their investment.
- 25.2.1. Shares in all the Sub-funds should generally be regarded as long-term investments. Details of specific risks that apply to particular Sub-funds are set out in Appendix A.
- 25.2.2. It is not currently intended that the Sub-funds will enter into derivative and forward transactions.
- 25.3. **Emerging markets**
- 25.3.1. Where Sub-funds invest in some overseas markets these investments may carry risks associated with failed or delayed settlement of market transactions and with the registration and custody of securities.
- 25.3.2. Investment in emerging markets may involve a higher than average risk.
- 25.3.3. Investors should consider whether or not investment in such Sub-funds is either suitable for or should constitute a substantial part of an

investor's portfolio.

25.3.4. Companies in emerging markets may not be subject:

- (a) to accounting, auditing and financial reporting standards, practices and disclosure requirements comparable to those applicable to companies in major markets;
- (b) to the same level of government supervision and regulation of stock exchanges as countries with more advanced securities markets.

25.3.5. Accordingly, certain emerging markets may not afford the same level of investor protection as would apply in more developed jurisdictions.

- (a) Restrictions on foreign investment in certain securities may be imposed on certain Sub-funds and, as a result, may limit investment opportunities for the Sub-funds. Substantial government involvement in, and influence on, the economy may affect the value of securities in certain emerging markets.
- (b) The reliability of trading and settlement systems in some emerging markets may not be equal to that available in more developed markets, which may result in delays in realising investments.

Lack of liquidity and efficiency in certain of the stock markets or foreign exchange markets in certain emerging markets may mean that from time to time the ACD may experience more difficulty in purchasing or selling holdings of securities than it would in a more developed market.

25.4. **Risks associated with the UK leaving the European Union ("Brexit")**

25.4.1. The UK has formally left the European Union (informally known as "Brexit").

25.4.2. However, the political, economic and legal consequences of Brexit are still not yet fully known. It is possible investments in the UK may be more difficult to value, to assess for suitability or risk, harder to buy or sell or subject to greater or more frequent rises and falls in value.

25.4.3. The UK's laws and regulations concerning funds may in future diverge from those of the European Union. This may lead to changes in the operation of the Company or the rights of investors or the territories in which the Shares of the Company may be promoted and sold.

25.5. **Epidemics**

Occurrences of epidemics/pandemics (such as COVID-19), depending on their scale, may cause damage to national and local economies which will have an impact on investments. Global economic conditions may be disrupted by widespread outbreaks of infectious or contagious diseases, and such disruption may adversely affect funds, may increase volatility, impair liquidity and potential returns and make assets difficult to value. During such epidemics investment management practices that have worked well in the past, or are accepted ways of addressing certain conditions, could prove ineffective. Custody, trading and settlements may also be affected. As a result there may be a negative impact on

the value of funds.

25.6. Cyber Security Risk

As the use of technology has become more prevalent in the course of business, funds have become more susceptible to operational and financial risks associated with cyber security, including: theft, loss, misuse, improper release, corruption and destruction of, or unauthorised access to, confidential or highly restricted data relating to the company and the Shareholders and compromises or failures to systems, networks, devices and applications relating to the operations of the Company and its service providers. Cyber security risks may result in financial losses to the Company and the Shareholders; the inability of the Company to transact business with the Shareholders; delays or mistakes in the calculation of the Net Asset Value or other materials provided to Shareholders; the inability to process transactions with Shareholders or the parties; violations of privacy and other laws; regulatory fines, penalties and reputational damage; and compliance and remediation costs, legal fees and other expenses. The Company's service providers (including but not limited to the ACD and the Depositary and their agents), financial intermediaries, companies in which a Fund invests and parties with which the Company engages in portfolio or other transactions also may be adversely impacted by cyber security risks in their own business, which could result in losses to the Company or the Shareholders. While measures have been developed which are designed to reduce the risks associated with cyber security, there is no guarantee that those measures will be effective, particularly since the Company does not directly control the cyber security defences or plans of its service providers, financial intermediaries and companies in which the Fund invests or with which it does business.

25.7. Risk management

25.7.1. Upon request to the ACD a Shareholder can receive information relating to:

- (a) the quantitative limits applying in the risk management of a Sub-fund of the Company;
- (b) the methods used in relation to 25.5.1.(a); and
- (c) any recent developments of the risk and yields of the main categories of investment in the Sub-fund.

26. FEES AND EXPENSES

26.1. General

26.1.1. The Company may pay out of the property of the Company charges and expenses incurred by the Company, which will include the following expenses:

- (a) the costs of establishing the Company and new Sub-funds after incorporation;
- (b) the fees and expenses payable to the ACD (which will include the fees and expenses payable to the Investment Manager) and

to the Depositary;

- (c) broker's commission, fiscal charges (including stamp duty and/or stamp duty reserve tax) and other disbursements which are necessarily incurred in effecting transactions for the Sub-funds and normally shown in contract notes, confirmation notes and difference accounts as appropriate;
- (d) any costs incurred in or about the listing of Shares in the Company on any Stock Exchange, and the creation, conversion and cancellation of Shares;
- (e) any costs incurred by the Company in publishing the price of the Shares in a national or other newspaper;
- (f) any costs incurred in producing and dispatching any payments made by the Company, or the yearly, half-yearly and monthly reports of the Company;
- (g) any fees, expenses or disbursements of any legal or other professional adviser of the Company;
- (h) any costs incurred in taking out and maintaining any insurance policy in relation to the Company;
- (i) any costs incurred in respect of meetings of Shareholders convened for any purpose including those convened on a requisition by Shareholders not including the ACD or an associate of the ACD;
- (j) liabilities on amalgamation or reconstruction including certain liabilities arising after transfer of property to the Sub-funds in consideration for the issue of Shares as more fully detailed in the FCA Regulations;
- (k) interest on borrowings and charges incurred in effecting or terminating such borrowings or in negotiating or varying the terms of such borrowings;
- (l) taxation and duties payable in respect of the property of the Sub-funds or the issue or redemption of Shares;
- (m) the audit fees of the Auditors (including VAT) and any expenses of the Auditors;
- (n) the fees of the FCA under the Fees Manual of the FCA Rules, together with any corresponding periodic fees of any regulatory authority in a country or territory outside the United Kingdom in which Shares in the Company are or may be marketed;
- (o) the Depositary's expenses, as detailed in Section 29 below;
- (p) any payments otherwise due by virtue of the FCA Regulations; and
- (q) any value added or similar tax relating to any charge or expense set out herein.

26.1.2. Value Added Tax is payable on these charges where appropriate.

26.1.3. Expenses are allocated between capital and income in accordance with the FCA Regulations. Where charges are made to the income of a Fund, but insufficient income is available to meet those charges, the ACD and Depositary have agreed that all or part of the charges may be treated as a capital expense of the Fund. **Any charge against the capital of a Fund may result in capital erosion or constrain capital growth.**

27. CHARGES PAYABLE TO THE ACD

27.1. In payment for carrying out its duties and responsibilities the ACD is entitled to take out of each Sub-fund a management charge. There is currently no maximum limit on the management charge.

27.2. The management charge accrues on every Dealing Day and is payable quarterly in arrears on each Management Fee Valuation Date or as soon thereafter as possible. The current management charges are set out in Appendix A.

27.3. The ACD is also entitled to reimbursement of all reasonable, properly vouched, out of pocket expenses incurred in the performance of its duties, including stamp duty and stamp duty reserve tax on transactions in Shares and expenses incurred (both one-off and ongoing) in relation to the purchase of licences, systems or data used, or other expenditure reasonably incurred, in the performance of its duties as ACD and in effecting regulatory changes to the Company or any Sub-fund.

27.4. At present the ACD's management charge is taken from income. However, where the amount of income received by a Sub-fund is insufficient to meet the annual management charge plus all other expenses attributable or apportioned to the Sub-fund, then some or all of such charge and expenses may be charged against the capital of the relevant Sub-fund. This will only be done with the approval of the Depositary and may constrain capital growth.

27.5. The ACD may not introduce a new category of remuneration for its services without obtaining prior approval of Shareholders by way of extraordinary resolution, and the ACD may not increase the current rate or amount of its remuneration payable out of the Scheme Property of the Company or the initial charge unless, not less than 60 days before the increase, the ACD gives notice in writing of the increase and the date of its commencement to all Shareholders and has revised and made available the Prospectus to reflect the new rate and the date of its commencement. Shareholders' consent will be sought to any proposed change in the management charge.

28. INVESTMENT MANAGER'S FEES

The Investment Manager's fees and expenses (plus VAT where applicable) are paid by the ACD out of its remuneration under the ACD Agreement.

29. DEPOSITARY'S FEE

The Depositary receives for its own account a periodic fee which will accrue and is due monthly on the last business day in each calendar month in respect of that day and the period since the last business day in the preceding month and is payable within seven days after the last business day in each month. The fee is calculated by reference to the value of the Company on the last business day of the preceding month except for the first accrual which is

calculated by reference to the first valuation point of the Company. The rate of the periodic fee shall be as agreed between the ACD and the Depositary from time to time and is currently based on the value of each Sub-fund:

- Up to £100 million – 3 bps (0.03%) per annum
- £100 million to £200 million – 2.5 bps (0.025%) per annum
- £200 million to £400 million – 2.0 bps (0.020%) per annum
- thereafter – 1.5 bps (0.015%) per annum

(plus VAT) subject to a minimum of £15,000 (plus VAT) per annum per Sub-fund.

These rates can be varied from time to time in accordance with the FCA Regulations.

The first accrual in relation to any Sub-fund will take place in respect of the period beginning on the day on which the first valuation of that Sub-fund is made and ending on the last business day of the month in which that day falls.

In addition to the periodic fee referred to above, the Depositary shall also be entitled to be paid transaction and custody charges in relation to transaction handling and safekeeping of the Scheme Property. Details of the range of charges are set out below.

<i>Item</i>	<i>Range</i>
Transaction charges	£0 - £40
Custody charges	0.0% to 0.12%

Transaction and custody charges vary from country to country depending on the markets and the type of transaction involved.

Transaction charges accrue at the time the transactions are effected and are payable as soon as is reasonably practicable, and in any event not later than the last business day of the month when such charges arose or as otherwise agreed between the Depositary and the ACD. Custody charges accrue and are payable as agreed from time to time by the ACD and the Depositary.

Where relevant, the Depositary may make a charge for (or otherwise benefit from) providing services in relation to: distributions, the provision of banking services, holding money on deposit, lending money, or engaging in stock lending or derivative transactions, in relation to the Fund and may purchase or sell or deal in the purchase or sale of Scheme Property, provided always that the services concerned and any such dealing are in accordance with the provisions of the FCA Regulations

The Depositary will also be entitled to payment and reimbursement of all costs, liabilities and expenses properly incurred in the performance of, or arranging the performance of, functions conferred on it by the Instrument, the FCA Regulations or by the general law.

On a winding up of the Company, the Depositary will be entitled to its *pro rata* fees, charges and expenses to the date of winding up, the termination, or the redemption (as appropriate) and any additional expenses necessarily realised

in settling or receiving any outstanding obligations.

Any value added tax on any fees, charges or expenses payable to the Depositary will be added to such fees, charges or expenses.

In each such case such payments, expenses and disbursements may be payable to any person (including the ACD or any associate or nominee of the Depositary or of the ACD) who has had the relevant duty delegated to it pursuant to the FCA Regulations by the Depositary.

30. ALLOCATION OF FEES AND EXPENSES BETWEEN SUB-FUNDS

All the above fees, duties and charges (other than those borne by the ACD) will be charged to the Sub-fund in respect of which they were incurred but where an expense is not considered to be attributable to any one Sub-fund, the expense will normally be allocated to all Sub-funds pro-rata to the value of the net assets of the Sub-funds, although the ACD has discretion to allocate these fees and expenses in a manner which it considers fair to Shareholders generally, accounting always for the segregated liability of each Sub-fund and always in accordance with the FCA Rules.

31. SHAREHOLDER MEETINGS AND VOTING RIGHTS

31.1. Annual general meeting

The Company has elected not to hold an annual general meeting in each year.

31.2. Requisitions of meetings

31.2.1. The ACD may requisition a general meeting at any time.

31.2.2. Shareholders may also requisition a general meeting of the Company. A requisition by Shareholders must state the objects of the meeting, be dated, be signed by Shareholders who, at the date of the requisition, are registered as holding not less than one-tenth in value of all Shares then in issue and the requisition must be deposited at the head office of the Company. The ACD must convene a general meeting no later than eight weeks after receipt of such requisition.

31.3. Notice of quorum

Shareholders will receive at least 14 days' notice of a Shareholders' meeting and are entitled to be counted in the quorum and vote at such meeting either in person or by proxy. The quorum for a meeting is two Shareholders, present in person or by proxy. The quorum for an Adjourned Meeting is one Shareholder present in person or by proxy. Notices of Meetings and Adjourned Meetings will be sent to Shareholders at their registered addresses.

31.4. Voting rights

31.4.1. At a meeting of Shareholders, on a show of hands every Shareholder who (being an individual) is present in person or (being a corporation) is present by its representative properly authorised in that regard, has one vote.

31.4.2. On a poll vote, a Shareholder may vote either in person or by proxy. The voting rights attaching to each Share are such proportion of the voting rights attached to all the Shares in issue that the price of the

Share bears to the aggregate price(s) of all the Shares in issue at the date seven days before the notice of meeting is deemed to have been served.

31.4.3. A Shareholder entitled to more than one vote need not, if they vote, use all their votes or cast all the votes they use in the same way.

31.4.4. Except where the FCA Regulations or the Instrument of Incorporation of the Company require an extraordinary resolution (which needs 75% of the votes cast at the meeting to be in favour if the resolution is to be passed) any resolution will be passed by a simple majority of the votes validly cast for and against the resolution.

31.4.5. The ACD may not be counted in the quorum for a meeting and neither the ACD nor any associate (as defined in the FCA Rules) of the ACD is entitled to vote at any meeting of the Company except in respect of Shares which the ACD or associate holds on behalf of or jointly with a person who, if the registered Shareholder, would be entitled to vote and from whom the ACD or associate has received voting instructions.

31.4.6. "Shareholders" in this context means holders of Shares on the date seven days before the notice of the relevant meeting was deemed to have been served but excludes holders who are known to the ACD not to be Shareholders at the time of the meeting.

32. CLASS AND SUB-FUND MEETINGS

The above provisions, unless the context otherwise requires, apply to Share Class meetings Sub-funds as they apply to general meetings of Shareholders.

32.1. Variation of class rights

The rights attached to a class or Sub-fund may not be varied without the sanction of a resolution passed at a meeting of Shareholders of that Share Class or Sub-fund by a seventy-five per cent majority of those votes validly cast for and against such resolution.

32.2. Mandatory redemption and cancellation

A mandatory redemption may be required where a sale results in a holding falling below the required minimum holding. Cancellation may be required in the event of non payment by the investor or in the case of an inability to provide money laundering documentation supporting an application.

33. TAXATION

33.1. General

The information below is a general guide based on current United Kingdom law and HM Revenue & Customs practice, all of which are subject to change. It is not intended to be exhaustive and there may be other tax considerations which may be relevant to prospective investors.

It summarises the tax position of the Company and of investors who are

United Kingdom resident individuals and hold Shares as investments. The regime for taxation of income and capital gains received by individual investors depends on the tax law applicable to their personal circumstances and/or the place where the Scheme Property is invested. Prospective investors who are in any doubt about their tax position, or who may be subject to tax in a jurisdiction other than the United Kingdom, are recommended to take professional advice.

33.2. The Company

Each Sub-fund will be treated as a separate entity for United Kingdom tax purposes.

The Company is generally exempt from United Kingdom tax on capital gains realised on the disposal of its investments. However, any gains realised on holdings in non-reporting offshore funds will incur a tax charge on disposal.

Any dividend distribution received by the Company will not normally be charged to corporation tax provided that it falls within one of the exempt classes set out in the relevant legislation. The Company will be subject to corporation tax on most other types of income but after deducting allowable management expenses and the gross amount of any interest distributions. Where the Company suffers foreign tax on income received, this will normally be an irrecoverable tax expense.

The Company will make dividend distributions except where more than a certain percentage of its property has been invested throughout the distribution period in interest-paying investments, in which case it will make interest distributions.

33.3. Shareholders

33.3.1. Income distributions

Any income distribution made by the Company, unless designated by the Company as an interest distribution, will be treated as if it were a dividend from a UK company.

Corporate Shareholders within the charge to UK corporation tax receive this income distribution as franked investment income to the extent that the distribution relates to underlying franked investment income (before deduction of expenses, but net of UK corporation tax) for the period in respect of which the distribution is made. Any part of the distribution which is not received as franked investment income is taxable as if it were an annual payment in the hands of the Shareholder and is subject to corporation tax.

33.3.2. Capital gains

Shareholders who are resident in the UK for tax purposes may be liable to capital gains tax or, where the Shareholder is a company, corporation tax in

respect of gains arising from the sale, exchange or other disposal of Shares (including Switches between Sub-funds but not Switches between Classes in respect of the same Sub-fund).

Capital gains made by individual Shareholders on disposals from all chargeable sources of investment will be tax free if the net gain (after deduction of allowable losses) falls within an individual's annual capital gains exemption.

Shareholders chargeable to UK corporation tax must include all chargeable gains realised on the disposal of Shares in their taxable profits.

Special provisions apply to a UK corporate Shareholder which invests in a bond fund (see above). Where this is the case, the corporate Shareholder's Shares in the Sub-fund are treated for tax purposes as rights under a creditor loan relationship. This means that the increase or decrease in value of the Shares during each accounting period of the corporate Shareholder is treated as a loan relationship credit or debit, as appropriate and constitutes income (as opposed to a capital gain) for tax purposes and, as such, is taxed in the years that it arises.

The amount representing the income equalisation element of the Share price is a return of capital and is not taxable as income in the hands of Shareholders. This amount should be deducted from the cost of Shares in computing any capital gain realised on subsequent disposal.

33.3.3. Reporting of tax information

The Company and the ACD are subject to obligations which require them to provide certain information to relevant tax authorities about the Company, investors and payments made to them.

Under the Automatic Exchange of Information (AEOI) Regime the Company is obliged to share certain information in relation to investors with HMRC which will be shared with other tax authorities. AEOI refers to US Foreign Account Tax Compliant Act ("FATCA") and associated inter-governmental agreements and OECD's Common Reporting Standard ("CRS") as applicable in participating jurisdictions.

Failure to comply with these requirements will subject a Sub-fund to US withholding taxes on certain US-sourced income and gains under FATCA and various penalties as applicable in different participating jurisdictions for being non-compliant with CRS regulations.

Shareholders may be asked to provide additional information to the ACD to enable the Sub-fund to satisfy these obligations. Failure to provide requested information under FATCA may subject a Shareholder to liability for any resulting US withholding taxes, US tax information reporting and/or mandatory redemption, transfer or other termination of the Shareholder's interest in a Sub-fund.

To the extent a Sub-fund is subject to withholding tax as a result of:

- i. a Shareholder failing (or delaying) to provide relevant information to the ACD;
- ii. a Shareholder failing (or delaying) to enter into a direct arrangement with the IRS;

- iii. the Sub-fund becoming liable under FATCA or any legislation or regulation to account for tax in any jurisdiction in the event that a Shareholder or beneficial owner of a Share receives a distribution, payment or redemption, in respect of their Shares or disposes (or be deemed to have disposed) of part or all of their Shares in any way,

(each a "Chargeable Event"),

the ACD may take any action in relation to a Shareholder's or a beneficial owner's holding to ensure that such withholding is economically borne by the relevant Shareholder or beneficial owner, and/or the ACD and/or its delegate or agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax. The action by the ACD may also include, but is not limited to, removal of a non-compliant Shareholder from the Sub-fund or the ACD or its delegates or agents redeeming or cancelling such number of Shares held by the Shareholder or such beneficial owner as are required to meet the amount of tax. Neither the ACD nor its delegate or agent will be obliged to make any additional payments to the Shareholder or beneficial owner in respect of such withholding or deduction.

Each investor agrees to indemnify the Company, each Sub-fund and/or the ACD and its delegates/agents for any loss caused by such investor arising to the Company, a Sub-fund and/or ACD and/or its delegates/agents by reason of them becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event.

The foregoing statements are based on UK law and HMRC practice as known at the date of this Prospectus, which is subject to change, are intended to provide general guidance only. Shareholders and applicants for Shares are recommended to consult their professional advisers if they are in any doubt about their tax position. No liability is accepted by the ACD for such interpretation.

34. INCOME EQUALISATION

Income equalisation does not apply in relation to the Company.

35. WINDING UP OF THE COMPANY OR A SUB-FUND OF THE COMPANY

- 35.1. The Company shall not be wound up except as an unregistered company under Part V of the Insolvency Act 1986 or under the FCA Regulations. A Sub-fund may only be terminated under the FCA Regulations.
- 35.2. Where the Company or a Sub-fund are to be wound up or terminated under the FCA Regulations, such winding up or termination may only be commenced following approval by the FCA. The FCA may only give such approval if the ACD provides a statement (following an investigation into the affairs of the Company or Sub-fund) either that the Company or Sub-fund will be able to meet its liabilities within 12 months of the date of the statement or that the Company will be unable to do so. The Company may not be wound up under the FCA Regulations if there is a vacancy in the position of ACD at the relevant time.
- 35.3. The Company may be wound up or a Sub-fund terminated under the FCA Regulations if:

- 35.3.1. an extraordinary resolution to that effect is passed by Shareholders; or

- 35.3.2. the period (if any) fixed for the duration of the Company or a particular Sub-fund by the Instrument of Incorporation expires, or any event occurs which the Instrument of Incorporation of the Company provides will give rise to the winding up of the Company or a particular Sub-fund (for example, if the share capital of the Company is below its prescribed minimum or (in relation to any Sub-fund) the Net Asset Value of the Sub-fund is less than £1,000,000, or if a change in the laws or regulations of any country means that, in the ACD's opinion, it is desirable to terminate the Sub-fund); or
- 35.3.3. on the date stated in any agreement by the FCA in response to a request from the ACD for the revocation of the authorisation order in respect of the Company or a request for the termination of the relevant Sub-fund;
- 35.3.4. on the effective date of a duly approved scheme of arrangement which is to result in the Company or Sub-fund ceasing to hold any property; or
- 35.3.5. on the date on which all of the Sub-funds of the Company fall within clause 35.3.4 above or have otherwise ceased to hold any scheme property, notwithstanding that the Company may have assets and liabilities that are not attributable to any particular Sub-fund.

A Sub-fund may also be terminated in accordance with the terms of a scheme of amalgamation or reconstruction, in which case Shareholders in the Sub-fund will become entitled to receive shares or units in another regulated collective investment scheme in exchange for their Shares in the Sub-fund.

35.4. On the occurrence of any of the above:

- 35.4.1. FCA Regulations 6.2 (Dealing), 6.3 (Valuation and Pricing) and 5 (Investment and Borrowing Powers) will cease to apply to the Company or the Shares and Scheme Property in the relevant Sub-fund;
- 35.4.2. the Company will cease to issue and cancel Shares in the Company or the Sub-fund and the ACD shall cease to sell or redeem Shares or arrange for the Company to issue or cancel them for the Company or the Sub-fund;
- 35.4.3. no transfer of a Share shall be registered and no other change to the register shall be made without the sanction of the ACD;
- 35.4.4. where the Company is being wound up, the Company shall cease to carry on its business except in so far as it is beneficial for the winding up of the Company;
- 35.4.5. the corporate status and powers of the Company and, subject to the provisions of paragraphs 36.4.1 and 36.4.4 above, the powers of the ACD shall remain until the Company is dissolved.

35.5. The ACD shall, as soon as practicable after the Company or the Sub-fund falls to be wound up, realise the assets and meet the liabilities of the Company or the Sub-fund and, after paying out or retaining adequate provision for all liabilities properly payable and retaining provision for the costs of winding up, arrange for the Depositary to make one or more interim distributions (which

may be by way of transferring the Scheme Property in accordance with Section 12.4) out of the proceeds remaining (if any) to Shareholders proportionately to their rights to participate in the Scheme Property of the Company or the Sub-fund. When the ACD has caused all of the Scheme Property to be realised and all of the liabilities of the Company or the Sub-fund to be realised, the ACD shall arrange for the Depositary also to make a final distribution to Shareholders (if any Scheme Property remains to be distributed) on or prior to the date on which the final account is sent to Shareholders of any balance remaining in proportion to their holdings in the Company or the Sub-fund.

- 35.6. As soon as reasonably practicable after completion of the winding up of the Company or the Sub-fund, the ACD shall notify the FCA.
- 35.7. On completion of a winding up of the Company, the Company will be dissolved and any money (including unclaimed distributions) standing to the account of the Company, will be paid into court within one month of dissolution.
- 35.8. Following the completion of the winding up of the Company, the ACD shall notify the Registrar of Companies and shall notify the FCA that it has done so.
- 35.9. Following the completion of a winding up of either the Company or a Sub-fund, the ACD must prepare a final account showing how the winding up took place and how the Scheme Property was distributed. The auditors of the Company shall make a report in respect of the final account stating their opinion as to whether the final account has been properly prepared. This final account and the auditors' report must be sent to the FCA, to each Shareholder and, in the case of the winding up of the Company, to the Registrar of Companies within two months of the termination of the winding up.
- 35.10. As the Company is an umbrella company with segregated liability between Sub-funds, any liabilities attributable or allocated to a Sub-fund under the FCA Regulations shall be met out of the Scheme Property attributable or allocated to that Sub-fund.

36. GENERAL INFORMATION

36.1. Accounting periods

The annual accounting period of the Company ends each year on 28 February (the accounting reference date). The interim accounting period of the Company ends each year on 31 August.

36.2. Income allocations

- 36.2.1. Allocations of income are made in respect of the income available for allocation in each accounting period.
- 36.2.2. Distributions of income in respect of Income Shares for each Sub-fund are paid on or before the income allocation dates set out in Appendix A.
- 36.2.3. If a distribution remains unclaimed for a period of six years after it has become due, it will be forfeited and will revert to the Company.

36.2.4. The amount available for distribution in any accounting period is calculated by taking the aggregate of the income received or receivable for the account of the relevant Sub-fund in respect of that period, and deducting the charges and expenses of the relevant Sub-fund paid or payable out of income in respect of that accounting period. There will be no smoothing of income allocations during an annual accounting period. The ACD then makes such other adjustments as it considers appropriate (and after consulting the auditors as appropriate) in relation to taxation, income unlikely to be received within 12 months following the relevant income allocation date, income which should not be accounted for on an accrual basis because of lack of information as to how it accrues, transfers between the income and capital account and any other adjustments which the ACD considers appropriate after consulting the auditors.

36.3. Reports

Annual reports of the Company will be published within four months of each annual accounting period and half-yearly reports will be published within two months of each interim accounting period. Reports will be available to Shareholders on request.

36.4. Documents of the Company

The following documents may be inspected free of charge between 9.00 a.m. and 5.00 p.m. every Business Day at the offices of the ACD at Mains of Orton, Orton, Moray, IV32 7QE and are also available on request to any Shareholder free of charge (although an administrative charge may be made for the provision of copies of the Instrument of Incorporation):

36.4.1. the most recent annual and half-yearly reports of the Company;

36.4.2. the Instrument of Incorporation (and any amending instrument of incorporation);

36.4.3. the ACD Agreement; and

36.4.4. this Prospectus.

36.5. Past performance

Past Performance figures are as set out in Appendix E.

36.6. Financial Services Compensation Scheme

The ACD is covered by the Financial Services Compensation Scheme. Shareholders may be entitled to compensation from the scheme if the ACD cannot meet its obligations. This depends on the type of business and the circumstances of the claim. Most types of investment businesses are covered for 100% of investments up to £85,000. Further information is available from:

Complaints concerning the operation or marketing of the Company should be referred to the compliance officer of the ACD at Mains of Orton, Orton, Moray, IV32 7QE in the first instance. 36.10. **Changes to the operation of the Company**

36.10.1. Changes to the Company's operation would fall within one of the following three categories. The categories are:

- (a) Fundamental events which change the nature of the Company or the basis on which the Shareholder invested. For example changes to an investment objective, its risk profile, further changes to the investment and borrowing powers (i.e. use of derivatives for investment purposes) or something that would cause material prejudice to the Shareholders would require investor approval.
- (b) Significant events which would materially affect a Shareholder's investment, result in certain increased payments out of the Scheme Property as specified in FCA Regulation 4.3.6(2), or could reasonably be expected to cause Shareholders to reconsider their participation in the Company. Those should be notified pre-event to Shareholders and in sufficient time to enable them to leave the fund, if they wish, before the change takes effect. 60 days minimum notice is required for these changes.

- (c) Notifiable events for which the ACD would decide when and how the Shareholders should be notified, depending on the type of event. In these cases notification could be after the event.

APPENDIX B

INVESTMENT AND BORROWING POWERS OF THE COMPANY

These restrictions apply to the Company.

1. **Investment restrictions**

- 1.1. The property of each Sub-fund of the Company will be invested with the aim of achieving the investment objective of that Sub-fund but subject to the limits on investment set out in the FCA Regulations and the Sub-fund's investment policy. These limits apply to each Sub-fund as summarised below. For full details please refer to the FCA Regulations. In the event of any conflict between the rules set out in the FCA Regulations and this Appendix B, the rules set out in the FCA Regulations shall prevail and this Appendix B shall be constructed and shall take effect accordingly:
- 1.2. The Company will invest in the investments to which it is dedicated including approved securities which are transferable securities admitted to or dealt on a regulated market or in a market in the UK or an EEA State which is regulated, operates regularly and is open to the public, units in collective investment schemes, warrants, money market instruments and deposits.
- 1.3.
