Objectives and Investment Policy

The investment objective of the VT Teviot UK Smaller Companies Fund is to achieve a total return (of growth and income, after fees) greater than the Benchmark Index over the long term. The Benchmark Index is the Deutsche Numis Smaller Companies Index (including AIM but excluding investment companies).

The Fund will seek to achieve its investment objective by investing in a diversified portfolio of companies which shall primarily consist of small UK quoted companies. Small companies are those having a market capitalisation, at the time of purchase, equal to or lower than the largest company in the Deutsche Numis Smaller Companies Index (including AIM but excluding investment companies).

The Manager actively manages the portfolio in order to achieve the objective and will not be restricted in respect of investments by industrial sectors.

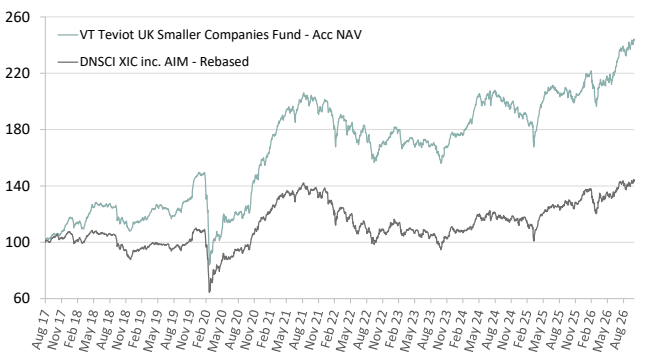

In addition to equities, the asset classes in which the Fund may invest includes transferable securities, units in collective investment schemes, money-market instruments, cash and near cash and deposits

The Fund will not invest in any immovable property or tangible movable property. The Fund may hold derivatives for efficient portfolio management purposes. It is not intended that the use of derivatives for efficient portfolio management purposes will increase the risk profile of the Sub-Fund. The Fund's base currency is Pounds Sterling.

If you hold income shares, any income from the Fund may be paid out to you. If you hold accumulation shares, any income from the Fund will be re-invested to grow the value of your investment. You can buy and sell shares on any business day.

As indicated above, the Fund aims to achieve a total return over the longer term. Nevertheless capital is in fact at risk and there is no guarantee that a total return will be achieved over that specific, or any, time period. For full investment objectives and policy details, please refer to the Prospectus.

Fund Managers

Barney Randle, Partner

Barney has a strong performance record managing the VT Teviot UK Smaller Companies Fund since launch in August 2017. UK Smaller Companies has been his area of focus for over 30 years, initially advising investors and corporates on the sell side where he specialised in original and rigorous investment analysis, and where he developed a deep understanding of the implications of liquidity in an illiquid asset class.

Dan Vaughan, Partner

After graduating from Oxford University, Dan specialised in UK Smaller Companies in the mid-1990s at Aviva. He then spent 13 years managing UK Smaller Companies pension and life funds at Colombia Threadneedle, of which the final 7 years were as Head of Team. Dan joined Teviot in May 2021.

Important Information / Risk Warnings / Disclaimer

This fund invests in smaller companies and carries a higher degree of risk than funds investing in larger companies. The shares of smaller companies may be less liquid and their performance more volatile over shorter time periods. The fund can also invest in smaller companies listed on the Alternative Investment Market (AIM) which also carry the risk described above.
