The information in this document is based upon the opinions of Tyndall and should not be viewed as indicating any guarantee of returns from any of the firm's investments or services. The document is not an offer or recommendation in a jurisdiction in which such an offer is not authorised or to an person to whom it is unlawful to make such an offer. The information in this has no regard to the specific investment objectives, financial situation or particular needs of any specific recipient and is published solely for informational purposes and is not to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. In the absence of detailed information about you, your circumstances or your investment portfolio, the information does not in any way constitute investment advice. If you have any doubt about any of the information presented, you should obtain financial advice. Past performance is not necessarily a guide to future performance, the value of an investments and any income from them can go down as well as up and can fluctuate in response to changes in currency exchange rates, your capital is at risk, and you may not get back the original amount invested. Any opinions expressed are subject to change without notice. Portfolio holdings are subject to change and the information contained in this document regarding specific securities should not be construed as a recommendation or offer to buy or sell any securities referred to. A key objective of the fund is to provide income. Therefore, some or all of the annual management charge is taken from capital rather than income. This can reduce the potential for capital growth.
